

Calgary

Transit Access

Handbook

July 2017

What is Calgary Transit Access

Calgary Transit Access is a shared-ride public transportation service for residents of Calgary with a disability that cannot use Calgary Transit buses and CTrains.

Calgary Transit Access offers a shared-ride, call in advance, door-to-door service for residents of Calgary. Shared-ride means you may have other customers riding with you in a vehicle. Door-to-door means from the exterior door of your pick-up location to the exterior door of the building at your destination.

Calgary Transit Access is responsible for determining eligibility for shared-ride public transportation services and managing, reserving, scheduling and dispatching rides.

Operated by Calgary Transit for residents of Calgary

We deliver safe, responsive and courteous public transportation services through partnerships with Calgary Transit and various service providers. Service is provided in lift-equipped buses, accessible vans, minivans and sedans.

NOTE: Calgary Transit Access is not a private taxi, medical emergency or personal transportation service.

How to use Calgary Transit Access

Call Calgary Transit Access at 403-537-7777 and choose from the following options:

Press 1 to reach Acrobat, our automated system. Use this option to confirm your trips after 7 p.m. the night before travel. You can also cancel trips using this option.

Press 2 to speak to an agent to book or cancel a trip.

Press 3 to speak to an agent about same day service inquiries.

Press 4 to speak to a customer service representative for commendations, concerns or other inquiries.

Press 5 to speak to an eligibility clerk about eligibility inquiries, applications, interviews or to change your personal information.

Press 6 for pre-recorded holiday hours and information.

Types of trips you can request

1. Occasional trip requests

Casual trips can be requested **up to four days in advance**. If you book the day before you want to travel, you must request your trip by 1 p.m.

2. Subscription trip requests

The initial subscription trip request or any changes may take up to seven business days to process. Ask the passenger agent if you need to make casual trip requests in the meantime.

Booking hours

Trip requests can be made from 9 a.m. to 5 p.m. every day, except on statutory holidays.

IMPORTANT: You must be at your destination for at least one hour after drop-off; e.g., if you require a trip to arrive at 10 a.m., the return trip cannot be requested for pick up earlier than 11 a.m.

How do I book a trip?

To book (or change) a trip, call Calgary Transit Access at 403-537 7777.

From the menu select “Advance Bookings” – **press 2**. You will be connected with an agent who will ask for:

- Your name and Calgary Transit Access customer registration number.
- The date(s) and time(s) of the trip(s).
- Your full pick-up address and full destination address.
- Try to have the name of the building (if relevant) and which door (front/rear, east/west, etc.)
- For a medical appointment, we require the healthcare professional’s name and phone number.
- If you are travelling with an attendant or companion.
- Type of mobility aid you will be using for that trip, e.g., walker, cane, wheelchair, etc.
- If you are travelling with a service animal.

All information will be repeated back to you.

What does a one way trip cost?

The fare for a one-way trip is one of the following:

- Calgary Transit adult or youth ticket
- An adult or youth monthly Calgary Transit pass or day pass
- A low-income monthly Calgary Transit pass
- U-pass

For information on how to apply for the low-income monthly transit pass, call **403-262-1000** or visit the Calgary Transit website at **calgarytransit.com**.

Cash, CNIB cards and the Seniors Calgary Transit pass are not accepted as payment.

Calgary Transit is not responsible for lost or stolen tickets or passes.

For the current fares, visit calgarytransit.com. You may purchase a book of 10 Calgary Transit tickets or monthly passes from: Calgary Transit ticket vendors (e.g., Mac’s, 7-Eleven, Sobey’s, Safeway, Co-op). A list of vendors is available at **calgarytransit.com** and at **calgary.ca/eServices**.

Customers may request trips for the following purposes

Education: Trips to and from an educational program for public, separate and private school programs or an accredited post-secondary educational institution (see school-aged customers on page 26).

Medical: Trips to and from medical appointments. The medical professional must be present. The professional's telephone number and name must be provided. Medical trips include to and from:

- Adult day support programs
- Living Well programs (Alberta Health Services)
- Chemo-radiation treatment
- Dialysis and related appointments
- Medical facilities: hospitals, clinics
- Physio and occupational therapies
- Psychiatrist appointments

NOTE: Medical appointments do not include yoga, mall walking, swimming or swimming lessons, counseling appointments and addiction treatment or meetings. If you require trips for any of these purposes, they are considered personal trips.

Personal: Trips taken for personal reasons. Customers are encouraged to plan personal trips between the hours of 10 a.m. and 3 p.m. or between 6 and 11 p.m.

Vocational: Trips to and from facilities for the purpose of learning work skills.

Work: Trips to and from a location for the purpose of working, including volunteer work.

Wait list

If the passenger agent is unable to give the customer a pick-up window at the time of the trip request, the request will be put on a wait list. While every effort is made to accommodate wait-listed trips Calgary Transit Access cannot guarantee all trips will be provided (see page 19 on how to confirm whether your trip was accommodated).

NOTE: If you no longer need the wait-listed trip, please call us at 403-537-7777 and press 1 to use our automated system to cancel your request. You will need your registration number and your 4 digit pin or password (month and day of birth, e.g. If your birthday is April 30, your pin will be 0430).

What is the pick-up window?

All trip requests have a 20-minute pick-up window. The 20-minute window is confirmed at the time of the trip request, unless the trip is wait-listed.

Example: If the pick-up window is between 10 and 10:20 a.m., you must be ready at the exterior door at 10 a.m. If you are booking a medical trip, be sure you add in enough time in case your doctor runs late. It is better to have to wait for your pick-up than to miss your ride altogether.

When requesting a trip, give yourself enough time to get to the exterior door of your building at the start of the pick-up window. Customers must be ready at the exterior door of the building at their pick-up location at the beginning of the window. Please wait just inside the main exterior doors (especially in cold weather) and your driver will meet you at these doors.

Does Calgary Transit Access ever change my pick-up times?

To accommodate other trips, Calgary Transit Access may change your pick-up time. An automated call will go out to you with this information if the pick-up time is changed more than 10 minutes outside the confirmed pick-up window. Please ensure we have your correct phone number. You can also call our automated telephone system (ACROBAT) to check your pick up time after 7 p.m. the night before your trip.

How to confirm or cancel a trip

There are two ways to confirm or cancel a trip

1. Acrobat

To access Calgary Transit Access's 24-hour automated information line dial **403-537-7777, press 1** from the main menu. This is the fastest and easiest way to confirm or cancel a trip that occurs within the next 4 days.

How to use Acrobat

You need a touch-tone telephone, a Calgary Transit Access registration number and a four-digit pin number. The pin number is usually the month and day of your birth; e.g., April 30 becomes 0430.

Listen to the recording – it will guide you through the system.

2. Speak to an agent

Dial **403-537-7777, press 2** to speak to a passenger agent.

NOTE: We advise using Acrobat if you need to call us during our busiest time (9 to 11 a.m.) to cancel a trip.

Automated call outs

Calgary Transit Access will send an automated call:

- To remind you your upcoming trips.
- To alert you about any changes to your trip times.
- When your vehicle is seven to nine minutes away.

Please keep all your personal information up to date. **Call 403-537-7777 and press 5** to change your phone number on file or to make any other updates to your personal information.

When to cancel a trip

Please cancel your trip **at least two hours** before the start of your pick-up window. This will allow other customers to have trips that otherwise may not be accommodated (please read the cancellation policy on page 16).

Late cancellation

A cancellation is late if Calgary Transit Access is not notified at least two hours before the start of your pick-up window.

Information needed to cancel a trip

You must provide:

- Your name and customer registration number.
- Date and time of the trip(s) you wish to cancel, including the time(s) for the return trip(s).

NOTE: Please indicate clearly if you need to cancel only a part of your trip.

What happens if I do not cancel my scheduled trip?

This is very costly and trips cannot be provided to another customer. A warning or service suspension may apply (see cancellation policy on page 16).

Where is my ride?

Call 403-537-7777 and press 3 if your trip is more than five minutes past the end of your pick-up window (e.g. your pick-up window is 10:30 – 10:50 a.m. and your vehicle has not arrived by 10:55 a.m.).

Customer Service

If you have a suggestion, compliment, concern or question about Calgary Transit Access services, please call Customer Service at **403-537-7777, press 4** between 8:30 a.m. and 4:30 p.m., Monday to Friday.

To help resolve issues quickly and efficiently, call us as soon as possible after an incident occurs. Try to be specific about dates, times and other details regarding your concern.

If Customer Service is closed, please leave a message including your name, customer registration number and a daytime phone number and they will return your call the next business day.

You can also submit your feedback and inquiries via email to **calgarytransitaccessinfo@calgary.ca**.

Cancelled at the door

If the driver arrives to pick you up and you do not take the trip, **your return trip will be automatically cancelled unless Calgary Transit Access is advised otherwise.** A cancel at the door is considered a late cancellation.

No-show

If you are not at the pick-up location and you have not cancelled your trip, **your return trip will be automatically cancelled.**

Drivers will wait for five minutes after they arrive within the pick-up window. A no-show will NOT be counted if the vehicle arrives outside the pick-up window; e.g., if the pick-up window is between 10 and 10:20 a.m., and the vehicle arrives after 10:20 a.m., then a no-show will not be counted.

NOTE: Call Customer Service at 403-537-7777, press 4 if you have questions or concerns.

What customers need to know

Hours of operation

Transportation service operates every day of the year from 6 a.m. to midnight. Passenger agents are available to take your bookings everyday between 9 a.m. – 5 p.m. except on statutory holidays.

What size are the vehicle lifts?

Vehicle lifts are 91.4 cm (36 inches) wide and 122 cm (48 inches) long. Mobility devices outside of these dimensions cannot be accommodated for safety reasons.

Can I use the vehicle lift?

If you can walk (are ambulatory) but are not able to manage stairs into the vehicle, you are allowed to ride up the lift into the vehicle. When the driver arrives, let him/her know you need to use the lift on the vehicle, not the stairs. Please call 403-537-7770 to have a note added to your file that you need to use the lift.

NOTE: Customers whose mobility devices are bigger than the lift cannot be accommodated.

What is an attendant or personal care attendant (PCA)?

A PCA travels with you on Calgary Transit Access because you need assistance during your trip. You would not be able to take the trip without a PCA there to help you on the vehicle.

Note: It is not the driver's responsibility to supervise customers. The driver will leave the vehicle to escort all customers to and from the exterior doors of their pick-up and drop-off locations. If the customer requires supervision, a PCA is required.

A PCA must be of 12 years of age or older.

A registered customer cannot be a PCA for another registered customer. Not all customers qualify for a PCA.

Contact Eligibility at 403-537-7777 then press 5, for questions about a PCA.

What is a companion?

A companion travels with you for social purposes, i.e., going to the movies, going shopping, going to a football game, etc. You would still be able to take the trip without a companion. The companion also pays the Calgary Transit Access fare.

Your companion is able to travel with you only if space is available on the vehicle. Registered customers are given priority over companions.

Can I bring my child with me?

If space is available, one child under six may travel with you for free. The guardian/caregiver is responsible for providing and securing an appropriate car seat. A child older than six years may travel with you if space is available and must pay the youth rate.

How long will my trip take?

Travel times vary based on numbers of customers travelling, distance, time of day, road conditions, etc. To reduce on-board times, customers should try to travel outside of rush hours and travel to locations closer to home.

What should I carry with me?

You should carry all necessary medication while travelling on Calgary Transit Access in case of a delay. If you are diabetic or hypoglycemic, please bring a small snack with you in case travel takes longer than expected.

If you travel with an oxygen tank, please consider bringing an extra tank with you in case there is a delay.

NOTE: Customers should not carry more than two grocery-sized shopping bags per trip due to space limitations. To ensure safety, you must hold your bags on your lap during the trip. If customers bring too many items to carry, drivers may deny their ride due to space limitations.

Cancellation policy

The purpose of Calgary Transit Access's cancellation policy is to reduce frustration and delays for customers on board due to no-shows and cancellations at the door, and to promote effective service for all customers. Providing advanced notice allows Calgary Transit Access to use resources more efficiently.

The cancellation policy applies to:

- Late cancellations
- No-shows
- Cancellations at the door

This is how the policy is applied

- If three cancellations occur in a 30-day period, a letter of warning will be mailed.
- If six cancellations occur in a 60-day period, service will be suspended for two days. A letter explaining the suspension and suspension dates will be mailed.
- If nine cancellations occur in a 60-day period, service will be suspended for seven days. A letter explaining the suspension and dates will be mailed.
- If 12 or more cancellations occur in a 60-day period, Calgary Transit Access will review your need for service. Your Calgary Transit Access service may be discontinued if a satisfactory arrangement to avoid cancellations cannot be reached.

Subscription trip cancellation policy

When more than **40 per cent** of your subscription trips are cancelled within a **30-day period**, the subscription may be discontinued. The customer will be required to request casual trips. After 90 days of requesting trips on a casual basis, you may re-apply for subscription service.

Suspension of service

- The suspension dates are at Calgary Transit Access's discretion.
- Customers may appeal suspensions to the Calgary Transit Access Service Appeal Board.
- In the event of an appeal, service will be provided until the Board issues a ruling.

NOTE: Calgary Transit Access Customer Service makes all reasonable attempts to address or resolve issues with customers.

Service suspension appeals

An independent Service Appeal Board meets monthly to hear suspension of service appeals.

An appeal form is available from Calgary Transit Access; call **403-537-7777, press 4** or go online at **calgarytransit.com/ accessible transit/**.

NOTE: You cannot appeal the type of vehicle you receive, e.g., a lift van vs. a taxi.

Hand-over to caregiver policy

This policy applies to customers who have to be met by a caregiver at their destination. By this, it is assumed that it is unsafe to leave the customer unattended at their destination. The customer or their guardian/caregiver identifies this requirement during the eligibility process or by contacting Eligibility Services at **403-537-7777 then press 5**.

NOTE: Only the customer or his/her legal guardian can authorize Calgary Transit Access to apply for or request removal of the hand-over requirement for the customer.

To ensure the safety of the customer and timely service for other customers, it is important that caregivers arrive on time at the designated drop-off point to meet the customer. **The arrival time can be calculated by taking the scheduled pick-up time and adding the amount of time it takes to drive directly to the drop-off location.**

The late arrival of the caregiver causes disruption in the service, resulting in drivers running late, and this inconveniences other customers. It also has a negative financial impact on Calgary Transit Access, because service providers have to be paid for waiting time.

IMPORTANT: Please note the following:

- If, after arriving at the designated drop off location, the vehicle waits for a period of more than five minutes for the caregiver, the customer will receive a hand-over warning letter.
- If a second occurrence takes place within a six-month period, a two-day suspension will be issued.
- If a third occurrence takes place within a six-month period, a seven-day suspension will be issued and the guardian/caregiver will be required to meet with Calgary Transit Access to address the concern.
- Should a fourth occurrence take place within a six-month period, the customer will require a personal care attendant for all trips where a hand-over is required.
- At any step of this process, Calgary Transit Access may meet with you to review your service needs.

NOTE: Customers may appeal suspensions to the Calgary Transit Access Service Appeal Board (see page 13).

Your eligibility explained

Eligibility for Calgary Transit Access service is based on your ability to use regular Calgary Transit fixed-route service. When your request for Calgary Transit Access service was approved, you were notified of the types of trip requests you can make.

Please review your confirmation notice for conditions that apply to you. Call Eligibility Services at **403-537-7777, then press 5** if you have questions or require clarification. You can also email us at calgarytransitaccesseligibility@calgary.ca.

New applicants (and some renewing customers) are required to complete an application form (with a portion that needs to be completed by a health care professional) and also attend an in person interview with one of our Eligibility Specialists.

This interview may also include some functional assessments that help us determine eligibility for services. Eligibility is not based on age, income, fear of using Calgary Transit, language barriers or being unfamiliar with how to use Calgary Transit.

Definitions of eligibility conditions

Unconditional

Customers may request trips for all travel using Calgary Transit Access service.

Snow and ice

Customers may use Calgary Transit Access service when snowy or icy conditions are forecast for the date of travel as determined by Environment Canada.

Cold weather

Customers may use Calgary Transit Access service when the temperature is predicted to be -15 C or colder for the date of travel.

Hot weather

Customers may use Calgary Transit Access service when the temperature is forecasted to be +20 C or warmer for the date of travel.

Rush hour

Customers may use Calgary Transit Access service during rush hour (6:30 – 8:30 a.m. and 3:30 – 6 p.m., Monday to Friday).

Dusk to dawn

Customers with visual disabilities may use Calgary Transit Access service from Oct. 1 to April 30 between 4 p.m. and 8 a.m. and from May 1 to Sept. 30, between 8 p.m. and 7 a.m.

Travel training

Customers use Calgary Transit on routes they have received travel training for but use Calgary Transit Access for all other trips.

Path of travel

Customers may use Calgary Transit Access shared-ride service when any portion of the trip is inaccessible due to a barrier, i.e., steep hills, no curb cuts, no sidewalks, etc.

Cannot transfer

Customers may use Calgary Transit Access service if the destination requires a transfer from bus to bus or bus to CTrain (based on mobility assessment).

Distance

Customers may use Calgary Transit Access service if the distance to or from the bus stop or CTrain is too great (based on mobility assessment).

Attendant required (mandatory PCA)

Customers must travel with an attendant when using Calgary Transit Access service for all trips. Without an attendant, trips will not be provided.

Medical treatment

Customers may use Calgary Transit Access service for medical appointments only. The medical professional must be present. The professional's name and telephone number must be provided. Medical trips include:

- Adult day programs
- Alberta healthy living program (Alberta Health Services)
- Chemo-radiation treatment
- Dialysis and related appointments
- Medical facilities: hospitals, clinics and dentists
- Physio and occupational therapies
- Psychiatrist appointments

NOTE: Medical appointments do not include yoga, mall walking, mall walking, swimming or swimming lessons, counseling appointments and addiction treatment or meetings. If you require trips for any of these purposes, they are considered personal trips.

Shared responsibilities

Providing shared-ride service is a joint responsibility of Calgary Transit Access, its service providers, our customers and their families/caregivers. By following these guidelines, you will help ensure safe, efficient and responsive service for all Calgary Transit Access customers.

Calgary Transit Access responsibilities

- Provide safe, courteous and efficient service.
- Provide travel training service to enable customers to use Calgary Transit fixed-route public transportation (buses and CTrains).
- Provide service from the exterior door of your pick-up location to the exterior door of the building at your destination.
- Attempt to call if a change is made to your pick-up window.
- Assist customers boarding and exiting the vehicle.
- Secure mobility devices.
- Assist with securing seatbelts, if requested.
- Assist with a reasonable number of bags. Suggested maximum of two shopping bags due to space limitations. To ensure safety, you must hold your bags on your lap during the trip.
- Assist customers using walkers or crutches up or down curbs or steps.

NOTE: Drivers will not push customers sitting in a transport wheelchair or while sitting on a walker as it is not safe to travel in this manner. Also, customers cannot travel in vehicles while sitting in a transport chair (or on a walker) as the device cannot be secured safely.

Wheelchairs

The driver will assist a customer in a wheelchair up/down a maximum of one step plus the door threshold.

NOTE: The ability to assist with stairs is at the driver's discretion. Drivers will determine if the situation is safe for themselves and customers. Factors in determining if the situation is safe include weight, snow, ice and debris.

Customer/caregiver responsibilities

- Be ready at the start of your confirmed pick-up window so you do not delay other customers; e.g., if your pick-up window is between 10 and 10:20 a.m., you must be ready (have your coat/shoes on, etc.) and waiting at the building's exterior door at 10 a.m.
- Cancel trips as early as possible – minimum two hours before start of trip window to prevent a late cancellation.
- Call ahead of time if you need a trip on a statutory holiday.
- Confirm if your wait-listed trip has been accommodated by calling Acrobat **403-537-7777 then press 1** any time between 7 p.m. the day before and one hour before your requested trip.
- Pause your subscription trips if you are going to be away (up to 30 days).
- Ensure your residence, and where possible, your destination, is accessible; i.e. debris, snow and ice are removed.
- Wear your personal seatbelt and the vehicle's seatbelt during transport, unless provincially exempted and the exemption has been submitted to Calgary Transit Access.
- Wait for assistance when entering/exiting the vehicle.
- Keep your personal information up to date with Calgary Transit Access, such as address, emergency contact information, mobility aids, etc. by calling **403-537-7777 then press 5**.
- Ensure children are properly secured by the child's parent/caregiver.
- Secure any approved restraint devices (five-point harness must be secured by caregiver).
- Transfer to another seat if travelling with a transport wheel chair (four small wheels).

- Provide your own attendant if:
 - You require help beyond the exterior door of the building at your pick-up or destination locations.
 - You require assistance with exterior stairs that exceed the stair policy.
 - You require assistance carrying mobility equipment.
 - Calgary Transit Access has determined an attendant is required because your conduct compromises the safety and/or comfort of yourself, other customers or the driver.
 - You cannot be left alone and there is no one to meet you at your destination.
- Be considerate to customers, drivers, the vehicle and Calgary Transit Access staff.

Calgary Transit Access Rules of Conduct

By using Calgary Transit Access services, customers, caregivers and/or guardians have agreed to the following:

- No use of abusive, threatening or obscene language or actions toward other customers, Calgary Transit Access staff or drivers, e.g. hitting, getting out of the seat, spitting, yelling.
- No smoking.
- No operating or tampering with any equipment.

Customers displaying offensive or dangerous behaviour may have their Calgary Transit Access services suspended. The suspended customer or their legal guardian/caregiver must comply with changes deemed necessary by Calgary Transit Access before riding again.

Please note that compliance is mandatory.

Calgary Transit Access Agreement

By using our services, you are committing to the Calgary Transit Access Agreement:

- I agree to comply with the Calgary Transit Access Rules of Conduct.
- I agree that Calgary Transit Access may use personal information about me in order to provide transportation services.
- I agree that Calgary Transit Access may give my name, phone number, address and other relevant information to Calgary Transit Access's contracted service providers and to external consultants for customer satisfaction surveys or polling.
- I will tell Calgary Transit Access if I no longer need to use Calgary Transit Access services.
- I understand that falsification of information could result in the loss of my use of Calgary Transit Access services.

IMPORTANT: Please be considerate of other passengers and don't use fragrance, cologne, perfume or other strong scents when using Calgary Transit Access service.

Other services

Lost items

For lost items, contact Customer Service at **403-537-7777, press 4**. Customer Service will provide instruction on how to retrieve your item.

Group trips

Calgary Transit Access does not provide field trips for schools or other organizations (shopping programs, swim programs, zoo outings, etc.). Group bookings for registered customers are available. Please speak to an agent (403-537-7777, press 2) for more information.

Charters are available from Calgary Transit, Checker Transportation Group, Associated Cab, Southland Transportation Ltd., First Student Bus Lines and other transportation companies.

School-aged customers

Children with disabilities aged six and over may ride Calgary Transit Access shared-ride service if eligible.

You must contact your child's public or separate school to arrange transportation through Calgary Transit Access. The school boards must request trips to and from elementary and secondary schools.

Children attending private school will require an eligibility interview to assess their eligibility for service.

Calgary Transit Access may require school-aged customers to travel with an adult.

Travel training

Calgary Transit offers free training and materials to Calgarians who want to learn how to use the wheelchair accessible buses and CTrains. The benefits of this training are expanded travel options with frequent service times and much greater independence and flexibility. This training is offered year round. Please call **403-537-7777 then press 5** for more information.

Frequently asked questions

Q: What should I do if my trip is late?

A: If your trip is more than five minutes past the end of your pick-up window, call **403-537-7777, press 3**.

Q: Are there accessible taxis?

A: Various taxi companies operate accessible taxis that can be hired at regular taxi rates. If you require trips outside Calgary Transit Access's hours or prefer a private taxi for some trips, e.g. the airport, this may be an option.

Q: How will I know which type of vehicle will pick me up and which one is for me?

A: Calgary Transit Access is not able to inform which type of vehicle will pick you up. Ambulatory customers and those who can safely transfer from a folding manual wheelchair to a seat should be prepared for any type of vehicle. All drivers sent by Calgary Transit Access will have your name, address, registration number and destination information.

Q: I am unable to climb the stairs of the accessible bus. What options do I have?

A: Ambulatory (walking) customers may ride up the lift of the bus.

Q: How can I make sure a van or bus doesn't come to pick me up? I prefer a taxi?

A: Customers cannot choose the type of vehicle that comes to pick them up. It is based on the availability of vehicles at the time of the trip.

Q: How do I know if my appointment is considered a medical appointment or not?

A: If you are unsure whether your appointment qualifies as a medical trip, before requesting your trip (see page 9 or) call **403-537-7770, press 1**, for clarification.

Q: Can I use my Calgary Transit bus pass for Calgary Transit Access trips?

A: Only Calgary Transit adult tickets, daily passes, youth tickets, U-pass, adult monthly passes, youth monthly passes or a valid Low Income Monthly Transit Pass are accepted as payment. Calgary Transit Access does not accept the annual Senior Citizen Transit Pass or CNIB cards.

Q: When do I receive automated call outs?

A: Calgary Transit Access will send an automated call to: remind you of your upcoming trips, to alert you of any changes to your trip times, and when your vehicle is seven to nine minutes away.

Q: My doctor is never on time. For what time do I request my return trip?

A: Before requesting your trip, call your doctor's office and indicate you are travelling with Calgary Transit Access and need to know approximately how long your appointment will be. You should also add some extra time to ensure you will be ready for pick-up. When you arrive for your appointment, inform the receptionist of your return trip time.

Q: Why does the agent ask me for my doctor's name and phone number when I make a medical trip request?

A: In case your pick-up time changes while you are visiting your doctor and Calgary Transit Access needs to reach you.

Q: My doctor needs to see me today. Can I book a trip for today?

A: Calgary Transit Access provides limited same-day trips. They are only accommodated if there is room available in a vehicle.

Q: If I am going somewhere with more than one entrance/exit (like a mall or the Stampede Grounds), where do I meet my ride?

A: Calgary Transit Access has designated pick-up doors and gates, usually at the most accessible location. When making your trip request, ask the agent to confirm which entrance/exit is used.

Q: Does the same vehicle pick me up for every trip?

A: You will likely have different drivers and vehicles for every trip.

Q: Can Calgary Transit Access guarantee me the front seat?

A: Due to the volume of trips and the number of customers Calgary Transit Access serves, this is not feasible. Customers can however ask the driver to try to switch seating positions if possible.

Statutory holidays

Bookings, Eligibility and Customer Service lines are closed on statutory holidays. If you require a trip the day after a statutory holiday, request the trip at least the day before the holiday.

Holiday: subscription trips cancelled

Calgary Transit Access automatically cancels subscription trips (except for trips for dialysis treatment) on the following holidays. If you still require a trip on any of these holidays, you will need to call 403-537-7777, press 2 to book a casual trip.

- New Year's Day
- Good Friday
- Victoria Day
- Heritage Day
- Thanksgiving Day
- Christmas Day
- Family Day
- Easter Sunday
- Canada Day
- Labour Day
- Remembrance Day
- Boxing Day

If the holiday falls on a Saturday, subscription trips will be cancelled on both the holiday and the Friday before.

If the holiday falls on a Sunday, subscription trips will be cancelled on both the holiday and the Monday after.

IMPORTANT: If you require a trip the day after a statutory holiday, you must request it the day before the holiday or four days in advance of the day of travel.

Please contact us at 403-537-7777 then press 4 if you have any additional questions.
